

TOWN OF KIANTONE-MEETING MINUTES

Special meeting

June 22, 2022

Meeting Minutes taken by Deputy Town Clerk Micelli

Meeting Brought to Order

Josh mentioned that he got a reply back from Sage. Town definitely needs an attorney. Possibly late July to have meetings.

According to Val-“Busti is a couple steps ahead of us (Kiantone)”.

Pre-application is the first phase.

\$2500. We can't use the money as a town, the money is mainly for the attorneys.

Each town needs their own attorney.

There is \$90,000 that is in the pot of money.

Need to have a meeting with a lawyer ASAP.

2nd Phase-is the application phase

Rich Haller mentioned that “According to Lyle, Busti has hired an engineer and not an attorney”.

The 94C is the escrow money; CS Energy.

Taking the advise of Lyle's recommendation, the Board agreed to hire jeff Schuck from Hodgson Russ Attorney from Buffalo. Rich 1st Motion, Kurt Second Motion.

Talk about sharing services; Busti has an engineer and we have an attorney.

Val will reach out to Tiffany Mosher (Lyle's assistant) about setting up a meeting with the lawyers in Buffalo.

Val suggested that Kiantone needs to meet with Jeff.

If we can't work together with Busti, the State will take charge.

We want to try to have a Board Member from Busti come to out next meeting.

We need to check with Kate whether we need separate account.

7:50 pm meeting was adjourned.

Respectfully Submitted

Gail Davis, Town Clerk
