

TOWN OF KIANTONE-MEETING MINUTES

Special meeting

June 30, 2022

Meeting Minutes taken by Deputy Town Clerk Micelli

“Extra in Attendance” Rich Haller; Scott Carlson

Connected via Zoom with Jeff for part of the meeting.

July 14th Jeff, Lawyer from Buffalo plans to be at the meeting (Board will meet with Heff at 6pm before the Board Meeting).

Lawyer in Buffalo did already connect with Sage.

He knows it is also important to collaborate with Busti.

Most meetings will be zoom to limit costs.

Rich Hall said the Town of Kiantone will come up with priorities that it wants to meet.

Jeff, Buffalo Attorney said we want to be cost effective and utilize Busti’s engineer.

We want to look at the Kiantone Laws and the Busti Laws.

Sage will be bringing the map for everyone to see.

Priorities for Kiantone (Val to type out):

- A guaranteed completion
- We need a site plan to determine where they are doing things

Val talked to Andrew Goodell and he is not in agreement with Kathy Hochal ideas

- All natural weed control- no “Roundup”
- Lyle is going to go through Busti law as well
- Rich said CS Energy has never defaulted on a project yet
- Lyle said we do have protections because the State is involved
- 30-35 years is the life expectancy of a solar panel
- The Town of Kiantone should not have any costs incurred
- Andrew Riley is who Busti hired for an engineer

Again: 6pm on the 14th Board will meet with Lawyers, then the board meeting

Email chain will go around if anyone thinks of anything

Josh wants the Board Members to review the copy of Kiantone and Busti’s laws.

Rich Haller will send the County Laws to Lyle

Meeting Adjourned 7:45pm
