Supervisor Ostrander opened the meeting to the floor: Dalton Anthony is running for District Legislation wanted the Board to know who he was.

Kerry Trammel and Todd Stimson asking about having cannabis product at Farmers Market. NY is giving cannabis growers a very hard time. They brought it up to the Board to ask about selling at the farmer's market. It is a temporary idea to raise money since they have lost money. It is pertaining to the 2022 harvest. Town Board will need to discuss and it will be new business. If the board decides, then a 2023 certificate will be issued so they can participate in the farmer's market. Hopefully Kerry and Todd will find out more inform of NY for the Board and then it will be shared with Lyle. After that the Board can discuss this idea so they can be made aware whether the Board will accept their idea to sell at the market. Kerry is now the Secretary of the Cultivation Committee of NY. Todd Stimson read to the Board something that he wrote about open markets.

With no further business to come before the Board, Motion Duly Made to Adjourn by Councilman Sturzenbecker; Seconded by Supervisor Ostrander; No Opposition. Unanimously Approved. Meeting adjourned at 7:55PM

Respectfully Submitted

Gail Davis, Town Clerk
